

# GOLD STANDARD COACHING

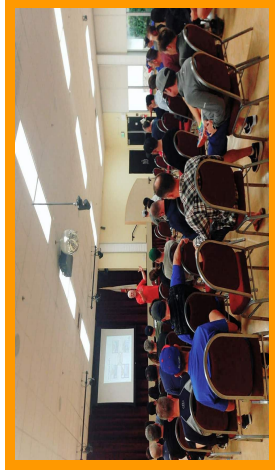

## SUMMER CAMP SPECIAL

Need to train the Camp Coaches you hire? Tired of them coaching like camp wins go on their resume? Do you see poor effort, selfish play and bad sportsmanship among the campers? Do you have player/parent complaints or lose campers from year to year?

Let **Gold Standard Coaching** take that off your plate and handle it for you. It's a great addition to your camp offerings. We'll explain **WHY** it's in everyone's best interest to be a Gold Standard Coach, **HOW** players can get the most out of their experience, - and how many camps offer education on being a Gold Standard Sports Parent too? Let me share over 40 years of camp experience and years of training for Positive Coaching Alliance with your coaches, campers, and parents to help establish a positive, fun, and educational culture that's rewarding for all so campers want to return year after year.
